

Hearts

Insights of the heart
monitoring my heart
a broken heart
tragedy happens

heartache
a black hole
heavy-hearted
two hearts broken

learn to live with it
run away from your heart
the heart lets me know
my heart has never been the same

touching the necklace- two hearts on a chain
colour my heart
I see some life
symmetry of the heart

illumination, uniqueness
softness, tenderness
welcoming hearts
hope and joy in them

remembrance, peace,
tranquillity, acceptance
touch my open heart

Hearts

Hearts is a collaborative work undertaken by the Road Trauma Support Services Victoria Art Therapy Group. The vision for this art therapy project was to bring together a group of people who had suffered road trauma and allow for creative self expression.

Road Trauma Support Services Victoria is a not-for-profit organisation contributing to the safety and wellbeing of Victorian road users. We provide counselling and support to people affected by road trauma, and address attitudes and behaviours of road users through education.
